*Dear Club,*

Recently my girlfriend Sonia and I have taken to buying things on live auctions on the Internet – something most of our friends have apparently been doing for years. It started as a bit of fun but we rapidly became hooked, and started spending a lot of time online almost every evening, hunting for potential bargains and then bidding like crazy when we ran across anything cheap as chips that took our fancy.

Frankly, the whole online auction thing soon got to the point where it began to take over our lives, and, like a drug, every auction we won put us on a high. In any case, it was while bidding for a particularly naff piece of French pottery that Sonia fancied that I actually became so excited that as the auction neared its close, I became sexually aroused.

Other types of excitement can give you a hard-on, I know, but this was the first time it had happened to me. At the time we just laughed at it and joked about the last-minute tension getting out of hand, but from then on Sonia – who's a hot piece of stuff – began to take note of how hard I got... especially when up against intense competition while bidding in the final moments.

Every time something that I particularly wanted came up for auction (and it's amazing how many times that happens

when you're addicted!) she would come and sit with me at the PC to watch my response. Once the bidding was over, she would be all over me until I gave her a good poking.

In fact one of our most memorable sessions was last week while I was bidding for a 1970s sound stacking system – since I'm mad for retro stuff. This time she didn't wait until it was over! In fact I had barely logged on to the auction site when Sonia began to massage my slowly growing erection through my jeans. As the item listing came up on the screen she began to undo my zipper, and reaching over, she grasped my boner and began slowly skimming the foreskin back and forth over my rapidly hardening shaft.

The feeling was exquisite, but I was finding it very difficult to concentrate on the bids! Lightly pushing her back, I took a deep breath and refreshed the page. Six minutes 11 seconds left to auction's close and I was still the highest bidder. I barely had time to compose myself before my concentration went out the window again as Sonia slid her hand back to take possession of my steadily swelling rod.

Noticing with a pang that I had been outbid, I glanced down at my cock, torn between arousal and irritation. My knob-end had turned a pale purple and a shimmering drop of seminal fluid was oozing out of the slit in the tip. Brushing her long blonde hair back from her pretty face, Sonia lowered her

head and lovingly licked the drop off with her tongue.

I gasped and closed my eyes – then refreshed the browser page: it was down to just under five minutes! "Aw come on," I said, but she shushed me. Then, wrapping her juicy lips over my lust-swollen knob, she began a deep sucking action that soon had me trembling almost frantically.

Tearing myself away, I quickly tapped in another maximum bid and confirmed before glancing back down at the mass of blonde hair cascading over my genitals. Although I could not see through her curly locks, I could vividly picture Sonia's soft wet lips ovalled around my cock, and it made me so bloody horny (and yet frustrated by the interruption at the same time) that I didn't know how to react. I was ready to scream.

Sucking deeply on my prick now, Sonia wriggled and jiggled as she slid a hand inside her panties. My swollen prick slid over her tongue as she gobbled hard, as though drawing sustenance from my dick. Bobbing her head, she took more and more of my boner into her warm wet mouth with every plunge.

Again I refreshed the page as my knob nudged against the back of her throat. As I was once again outbid, she gagged momentarily, removing her mouth from my lurching prick as I punched in yet another max bid. "I love the taste of your big cock,"

she murmured, giggling at my flustered attempt to win the auction. Then, smiling up at me, her eyes dancing, she once again sank her mouth onto my purple cockhead.

"Oh, fuck," I panted, feeling her tongue and lips swirling around my helmet. I was still in the lead as Sonia bobbed her head with increased speed. The sensations I felt as she face-fucked herself on my pole was so wildly exciting as to be almost intolerable in the last crucial moments, and I almost forgot about the e-auction. Feeling my ejaculation building deep in my balls, I hit the refresh button. The screen showed that mine was still the highest bid... and that, along with the thought of filling my beautiful girlfriend's mouth with my jizz, almost drove me over the top.

"That's it, sweetheart," I gasped, keeping my eyes firmly on the screen. "Keep sucking, Sonia. I'm almost there!" Obligingly, Sonia sucked even harder and deeper, making me moan and jerk on my chair. I was almost ready to shoot when I saw that yes! - I had won the auction - and I pushed her mouth down tighter over my cock.

"Here comes the juice!" I groaned and Sonia gagged again: this time on the huge amount of fuck-cream gushing from my exploding cockhead. Her mouth was filled with my sperm before she could even start swallowing, but she didn't lose a drop of the jism that kept splurting into her mouth. It was only when she'd sucked me completely empty that she released my limp penis from her mouth with a laugh and a joke about my having been in a total "win/win" situation!

I confess to having read your magazine for many years and am perhaps showing my age in my request to see the stunning Kelly from Vol. 28 No.8 again. But back when the internet was still in its infancy, Kelly thundered into my life through Club's pages, and since then I've always returned to the image of her laying against that tartan rug, looking straight into the camera with her green eyes, freckles, bush and crackingly pert tits on display. It would be wonderful to see the lovely Kelly again as she never fails when the sails are up.

There certainly was a nip in the air this morning Sophie Star graced our studio, and she added two more to the equation a little later on as you can see. ### Laser keyboard

[www.red5.co.uk](http://www.red5.co.uk)

Kitbag's becoming more and more futuristic these days and just to add a bit more sci-fi to your read we've brought you Laser Keyboard, with its compact and innovative design to geek out over. It's simple, effective and precise, just connect up to your smartphone or tablet via Bluetooth or USB, pop it on a dark surface and switch on. Before your eyes will appear a red laser integrated English QWERTY keyboard with over 400 characters, that produce little sounds as you type. There is also a built-in 5200mAh power bank that gives the opportunity to re-charge on the go. You could even enhance your Dr Spock impression with this handy gadget.

### Smarter Coffee

[www.firebox.com](http://www.firebox.com)

It's official; we no longer have to be a slave to our coffee machines in the morning, or even step foot out of bed until the entire brewing process is complete. This is all thanks to the geniuses behind Smarter, who've brought us a smartphone or tablet controlled coffee machine. It's got a lot of bells and whistles and boasts the ability to grind and brew coffee on demand or auto, a strength adjuster, brew up to 12 cups at once, wake up and welcome home modes, and includes interchangeable panels to match your kitchen décor. It's a bean to cup wizard that even lets you receive drink requests from others, so wake up and smell the coffee.

### Inner Selfie Stick

[www.firebox.com](http://www.firebox.com)

When Club found out this little gadget actually existed, our mouths hit the floor. Once we had recovered ourselves, we suddenly realised the immense amount of fun that could be attained from this bit of kit. Plus, how many chances will we have to review something akin to a medical instrument that combines toilet humour as well? Exactly.

Now you can show your Instagram followers the real you from the inside. Supporting a comfortable slim-line insertion tube measuring 13.97 cm that extends up to 110 cm, the Inner Selfie Stick should help you reach all your intimate nooks and crannies comfortably. There's even a handy pocket size bottle of lubricant provided, should things get a bit (ahem) tight. After all, it's what's on the inside that counts right?

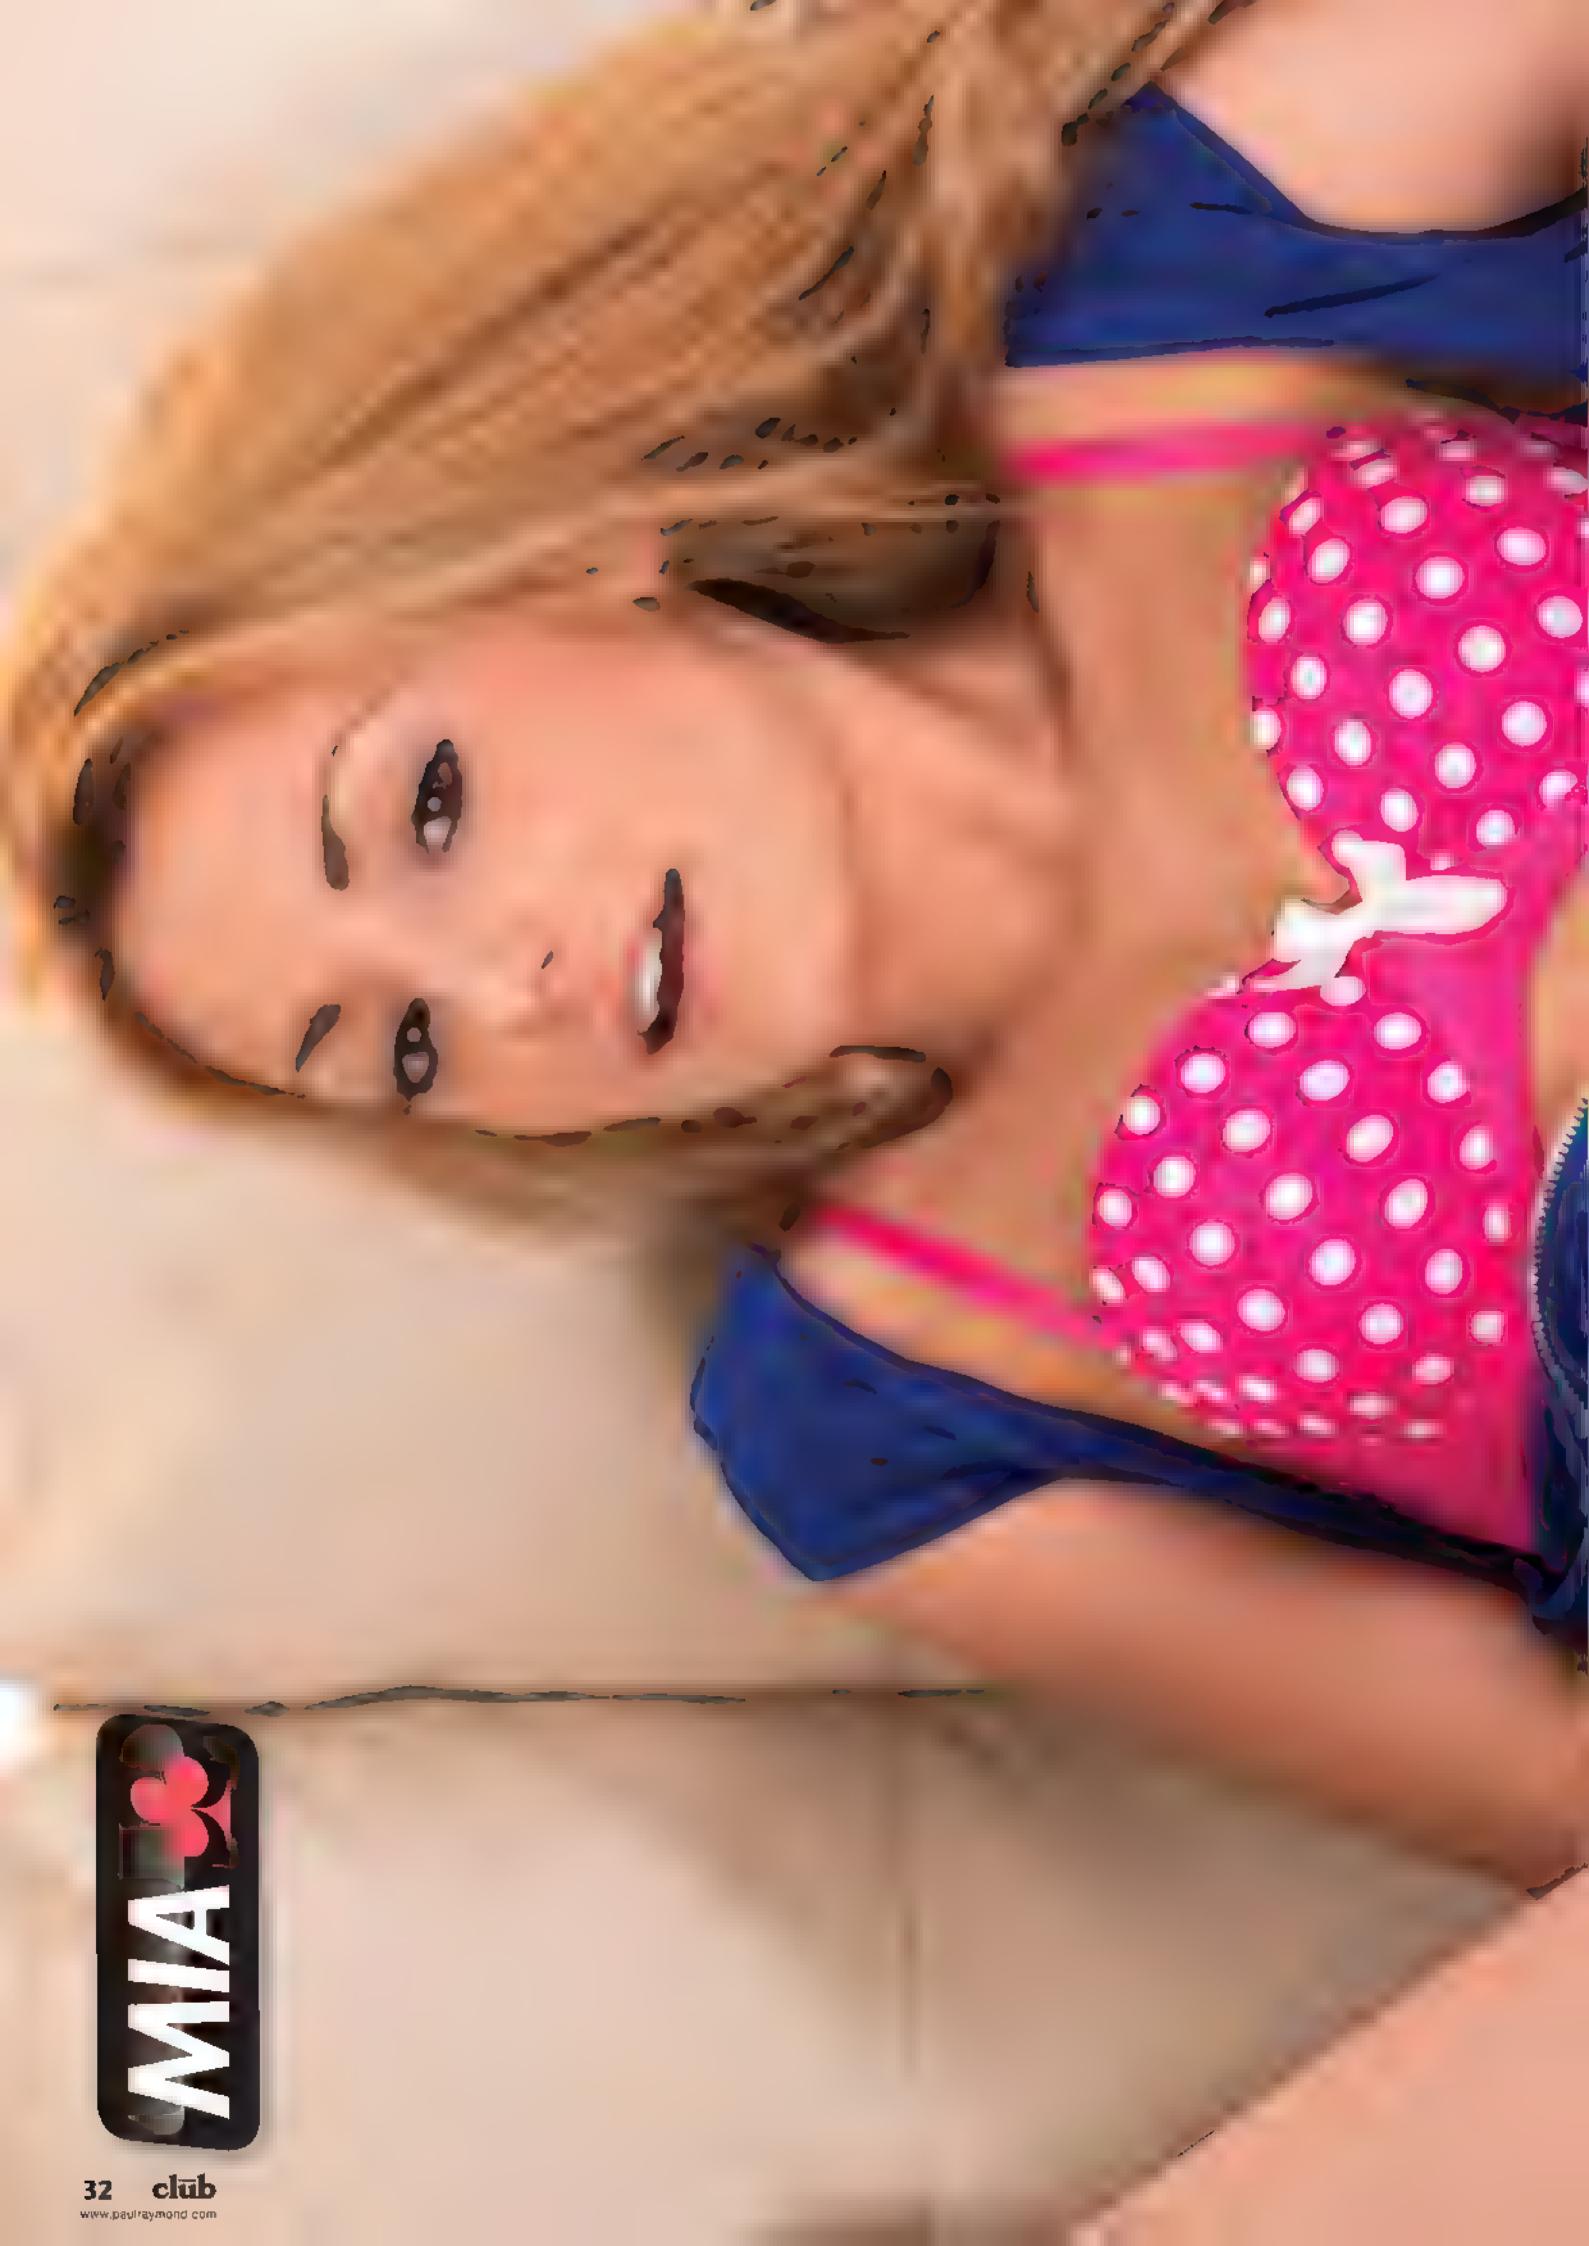

**M**ore than a thorn in your side, the lovely Mia will prick you up, good and proper. With the British model's fondness for spanking a topic of conversation we eagerly listen to; it would seem a rosy rump is all Mia needs. ♠

## Erasmus Orgasmus

**Starring:** Anny Aurora, Carolina Abril, Christen Courtney, Medusa and Frida Sante

**Synopsis:**  
"Erasmus Orgasmus is a title that says it all! Watch

Anny Aurora deeply enjoys her Erasmus scholarship in Barcelona while her boyfriend tries to control her from thousands of miles away. She is ready for new experiences in this student's apartment, endless parties and stallions willing to fuck her. Don't miss the trio where she performed her first anal for Private or her masturbation voyeur experience while her roommate Carolina Abril has sex with her boyfriend. Together with her other friends Penelope Cum, Frida Sante, Brianna Bounce, Christen Courtney and Medusa, she will discover endless vice through orgies, blowjobs, anal sex, DPs and

facial cumshots, all sponsored by the EU." Courtesy of Private

**Verdict:** At home or aboard these minxes are a handful, but pop a bit of studying into the equation, and suddenly it's sexy studious gone wild, as these ladies more than enjoy themselves on their scholarship aboard.

With beach boys and parties to entertain it's a wonder they get anything done but of course, there's always time to play. There are four scenes to enjoy, but the corker revolves around Christen Courtney and Medusa with a pool party that hot's up into a major orgy. Be warned DP, anal and facials galore, so get ready to unload

## Nylon Axal Bra

**Starring:** Asa Akira, Eric John, Jasmine Jae, Katrina Jade, Bianca Breeze, Britney Amber, Ryan Ryder, Tommy Gunn, Lucas Frost, and Alec Knight.

**Synopsis:** "Acclaimed porn auteur Axel Braun explores the allure of a popular fetish with a stylish, sexy film. Want your lover to feel what you feel when you caress her legs in stockings? All it takes is to move that delicate nylon fabric over her soft skin..." Courtesy of Wicked productions

can say about this, the first being that us chaps will never be able to detach a pair of stockings from there holding belt without laddering them (we can get a bit heated in the moment) and secondly all the women

featured in this rather alluring production are most certainly quality. There's our ten pence and now down to the action, which is a delight to watch with Wicked regular Asa Akira whipping up quite a tease fro Eric John in the first scene. So by the time we reach the second featuring Jasmine Jae and Ryan Ryder we already feel this production is well on the way to greatness. All scenes are one on one and aimed at this fetish market, but this film would be pleasing to viewers of varying tastes.

**AMELIA** ♡

I think the office just got steamy with the arrival of this bountiful beauty. Amelia Brookes, current Babestation presenter and all round saucy madame has been getting carried away in front of our cameras this month. So much so that we had to order some ice packs to adorn our crotches as our balls reached boiling point within minutes of Amelia and her handsomely hefty bosom, bopping about in front of the lens. We eventually had to turn our backs on Miss Brookes and walk away, if only to redistribute the blood back around our bodies in an equal fashion.♣

## WHALE BONER

I expect my women to dress to please me, and my preference is for shapely young women who enjoy the sensuous feel of satin and lace against their bodies.

In fact, the thing that really turns me on is fucking a woman who is dressed in sexy lingerie. A naked woman displays all her goods and leaves absolutely nothing to the imagination. Conversely, dress her in lingerie and you'll find that the way silk clings to her skin, or a wisp of lace gives a hint of her hidden charms, lends erotic mystery to even the most plain female body.

Whether we're talking about the stiffness of a boned corset, or the gentle touch of frothy lace, in my view lingerie definitely enhances a woman's body, making her far more enticing and sensual.

I'm a lucky man, because my current girlfriend, Danielle, wears fancy frillies every day. Not only does she like to wear sensuous lingerie for our nights of passion, but she has a fabulous figure and an extremely cute face.

Since meeting Danielle at a friend's house I have bought her lots of different styles of lingerie, but for Christmas I wanted to find her something special. She had her heart set on a tightly-boned corset and I liked this idea bigtime. Corsets really do make a woman look ultra feminine, pushing her breasts up and out, and slimming her waist so that her hips look voluptuous and full. I settled on a black one and bought all the trappings, such as matching black panties, stockings and a

pair of ultra high heeled shoes.

Needless to say, Danielle was touched by my attention to detail, and slipped into the bedroom to try them on and model them for me. When she returned, dressed in the corset and stockings, she looked so beautiful and seductive that I couldn't keep my paws off her.

My arms went around her waist and hers around my neck as our lips came together, and we kissed deeply, my tongue pressing between her scarlet lips, exploring Danielle's eager mouth. My cock was growing hard and pressing against her stomach, and I pulled her close to me, moving my hands down over the soft cheeks of her fabulous arse.

I pushed her gently back from me so I could get a better look at how the tightly fitted corset flattered her beautiful curves. Her snow-white breast flesh wobbled enchantingly above the moulded cups of her corset, enhancing her cleavage, and at that moment, to me, she was undoubtedly the sexiest woman on Earth. Her smoothly shaven mound bulged in the front of her tiny black thong and the silky smooth cheeks of her voluptuous bum was split delightfully by the back string.

Quickly I removed my suit jacket as Danielle bent over, sliding the thong down over the suspenders connecting her stockings to her corset. My penis was ready to burst out of my suit trousers as I noticed her long lipped labia peeking out between her thighs.

I unbuckled my belt, continuing to drink in the erotic spectacle as she turned to face me. Her nipples were still hidden as her milky-hued tits jiggled atop her corset and my balls tightened as I hastily dropped my trousers to my ankles.

Stepping out of them, I pushed my boxers down, allowing my rigid cock to jut out, and Danielle took my rock-hard length in her hand, gently stroking it as she started pushing me back toward the couch. She steered me backwards, using my cock like a rudder, and I brought my hands up to her big tits, easing her globes up over the top of her corset and exposing her large aureoles and hardened pink nipples.

With my cock still in her hand, she guided it into her pussy and sat on it, pressing her pushed-out tits right in my face. Her slit was incredibly slick and snug as it gripped my shaft, and I moaned in appreciation as I felt

her cunt muscles clench and relax repeatedly, stimulating my cock and making my balls ache with need. My hands roamed over her heaving boobs, holding them out over the top of her corset so my tongue and lips could work on her nipples.

Danielle's hot pussy slid up and down my whole length, working me up into a lather as she rode me hard in pursuit of her own orgasm, which by the sound of it, wouldn't be too long in arriving. She bounced up and down on my penis, throwing her head back and wildly tossing her blonde hair as she strove to reach climax.

Slipping my hands around the stiff boning of her corset I pulled her down on me, pushing upward with my pole to spear her spasming twat as far as it would go. I could feel the beginning of an incredibly intense orgasm building inside me, getting dangerously close, and closer still as I felt her pussy suddenly flood with additional lubrication. Just as I was thinking I might have to stop her or the spunk would be flying, however, she slowed down, then stiffened and shuddered as her orgasm rippled through her quivering body.

That gave me breathing space, and, once she had regained her composure, she dismounted, allowing my cock to pop free of her pussy. It stood erect and glistening with her juices as she dropped to her knees, giving me an eyeful of her shapely legs in those wonderful dark stockings, and lowered her head into my lap. Her full glossy lips engulfed my cock, sucking it deep into her hot mouth. Sliding her lips up and down my shaft a few times, she drew it further inside until I could feel my throbbing helmet touching the back of her throat.

Gagging slightly, she disengaged and began pumping my rod with her hand, transferring her oral attention to my balls. Once again I was on the verge of coming, and when she started sliding her lips up and down my prick again, I raised my hips, pushing my cock back into her mouth. Sensing my urgency, she bobbed her head faster and faster.

**“...she drew it further inside until I could feel my throbbing helmet touching the back of her throat.”**

The warm wetness and the softness of her tongue felt so incredible as she sucked hard on my manhood, flicking my knob head at intervals. I don't know how I stopped myself before I shot, but I found the willpower from somewhere.

I didn't want this to end. So I forced myself to withdraw my cock and carried her upstairs to bed. Laying her on the quilt I kissed her soft belly, tonguing her navel and moving down to inhale the musky scent emanating from her snatch. Then, kissing along her inner thighs I moved up towards her swollen pussy lips.

When I reached her mound, I ran my tongue over her clit and Danielle writhed on the bedspread in her excruciatingly sexy lingerie. As I licked and sucked her clit, I slipped a finger

**I slid my cock in and out between her sweet, round tits and fucked the fabulous tight cleft she'd made."**

into her, easily penetrating her well lubricated channel. Her warm, slippery softness embraced my finger momentarily before I commenced sliding it in and out of her.

My heart rate quickened and my cock became almost painfully erect at the very thought of fucking that pussy again. Danielle was enjoying the stimulation, gyrating madly, her fanny squelching on my fingers as I frigged her hard while tonguing her clit. Her pussy was warm, tasty and slippery; and when she finally came with a

fresh burst of nectar, I greedily lapped it up.

After I was certain she'd recovered, I moved my fingers up her body, enjoying the erotic sensation of running my hands across the fabric of her corset. Pulling her boobs back out of the top of her corset I held one in each hand and flicked the tip of my tongue over each of her erect nipples.

I raised my head again after a minute or two and our lips met, hungrily sucking at each other's mouths while I fumbled to guide my rigid tool between her thrilling stocking-tops and into her waiting pussy.

She moaned into my mouth as I finally penetrated her to the hilt. Our tongues intertwined and I began pumping my cock in and out of her come slick labia, starting out with long, slow strokes, enjoying the pleasurable friction of her pussy and the taste of her mouth. I could feel her raising her hips to meet my incoming thrusts. Meantime her hands moved around and gripped my buttocks.

Thrusting my hips forward to sink my dick further inside her, I worked up a rhythm. I kept pumping her sweet pussy, going from long, slow strokes to a series of faster, shorter jabs. She wrapped her legs around my back, her suspenders digging into my skin as the friction from her 20 denier stockings upped the ante and propelled me to the edge at light speed!

As my orgasm approached, she was with me the whole way, grunting lustily as I drove into her. Her beautiful soft tits beckoned me, and, in a moment of inspiration, I forced myself to pull out of her pussy.

Repositioning myself, I straddled her ribcage with my rampant appendage waving in front of me. Then, lowering myself again, I laid my cock between her fleshy globes, which Danielle obligingly squeezed together.

Leaning forward with my hands planted on the bed above her head, I slid my cock in and out between her sweet, round tits and fucked the fabulous tight cleft she'd made between them.

It was wonderful to see my cock-head peeking out of her cleavage with each thrust, and Danielle raised her head, darting her tongue at my helmet each time the tip of my cock emerged. Looking down and soaking in every detail of the sight, I sawed my weapon back and forth while my balls dragged along the smooth satin of her corset.

I brought myself right up to the edge of spurting in her face, but at the last possible instant I pulled free and moved hastily down to lodge my manhood back inside her pussy.

She grabbed my buttocks ferociously, digging her nails into me as I pistonned my prick inside her gash. Then, raising myself up on my arms I slammed my meat back and forth, pounding her hot box until I felt her stiffen and her twat clenched in orgasm. Feeling her muscles on my shaft and feeling those silky stocking-clad legs wrapped around me was the living end! With one final heave, I shot my hot spunk inside her.

Adrian, York.

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## GIRLS NIGHT IN

As much as I love his company, when my boyfriend goes on business trips, I'm absolutely delighted. There's no dirty underwear to manoeuvre past in the bedroom, no fighting over the remote control and absolutely no wrestling with the duvet cover – bliss! Oh, and between you and me, it also provides the rare opportunity for some leisurely masturbation, without him wanting to turn it into a full-scale porno performance. Honestly, what is it with some men? While I dream of a quiet fiddle – ideally in the bath, with some soothing music and candlelight – Mark prefers to orchestrate his erotic assault like he's going into battle, sex toys at the ready. Which brings me to another reason why I look forward to his work expeditions: the chance to enjoy the female touch.

Don't get me wrong, my gal pals and I are certainly not fully paid-up rug-munchers. But one night after a skin full of Bacardi Breezers, we decided to see for ourselves what all this 'lesbo lust' was about. Too drunk for inhibitions, we just got stuck in, licking, fingering and tonguing in a clumsy imitation

of the skin flicks we'd watched with our chaps. It felt different, and I couldn't get over how soft my friends' flesh was compared to guys, but it also felt so good. No having to remind our inebriated lovers where the clitoris was, or how it takes a bit more than two minutes' foreplay before they can stick their digits in your arse.

Since then we've had a few girlie rendezvous, under the pretext of hairdresser's appointments, Saturday shopping expeditions and the like. All so hush-hush that I thought we'd continue to get away with it, without even arousing the suspicions of our respective blokes. But how wrong I was.

Mark had been called away last minute to cover a colleague at some European beano. As soon as he'd told me he was going, I'd snuck off to the bathroom with my mobile and done a quick ring-round. While he packed his weekend bag, oblivious to my actions, I arranged the perfect girls' night in. Namely, four literally bosom buddies, a Sex and the City box set, Ben & Jerry's, and a few bottles of bubbly to really get the party in swing.

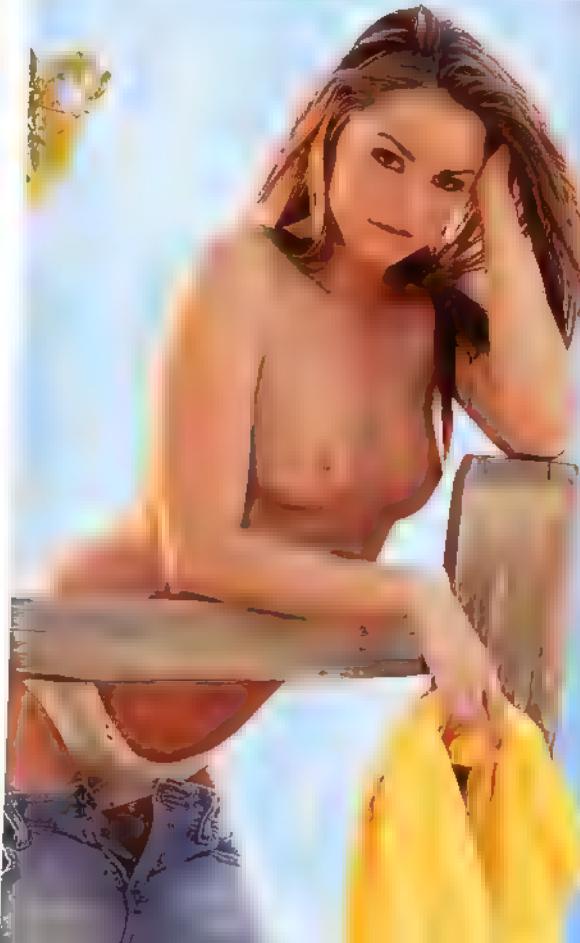

How was he to know that my glum face as I stood at the porch and waved him off was actually me in full actress mode, skilfully hiding the excited butterflies in my tummy and the already-wet-in-anticipation snatch?

When the doorbell rang that evening, my knees were like jelly. Which is hardly surprising given the vision that greeted me. In keeping with our ultra-girlie theme, the ladies had decided to actually come dressed for bed, bustling into the front room in a flurry of skimpy babydoll nighties and fluffy, high-heeled mules. What with their blow-dried hair and freshly painted faces, they looked like the mannequins in saucy lingerie emporium Agent Provocateur come to life. Standing there in my cuddly pyjamas and woolly socks, I felt distinctly overdressed, so after doling out the white wine spritzers to the giggling trio, I disappeared upstairs to ransack my knicker drawer.

As it turned out, skimpy clothing was not only the most visually appealing option; it was also the most practical. Half way through our second helping of Carrie Bradshaw's antics, a universal chorus of, "Ooh,

let's have some ice cream," heralded the start of some serious mischief. Already more than tipsy, Katie decided to see how much of the frozen confection she could spoon into Sara's mouth in one go. Unsurprisingly, Mr Big and co were quickly forgotten at the consequent sight of creamy gunk running down Sara's chin and onto her half-exposed breasts. More and more was pushed into her chocolately smile, as she threw back her head in junk food ecstasy, until the whole carton was empty.

Suddenly we were like vampiresses, pushing her back onto the cushions lining the floor and throwing ourselves onto her in what must have looked like a feeding frenzy. While Katie clamped her lips on Sara's mouth and began scooping out the melted ice cream with her tongue, Claire lapped at Sara's drizzled tits, lightly grazing her erect nipples with her teeth on alternate licks. Which left me, the dirtiest cow of the

bunch, to dive between her legs and start savouring her pussy like it, too, was made of sugar. Sara's moans drowned out the DVD, making me feel even hornier. Damn, she tasted sweet! Yet the more I nuzzled at her clit, and pushed my face into her hole, the more my own cunt felt neglected. It was like a throbbing emptiness that just demanded to be filled, and for a second I dreamt of Mark's thick cock cramming it full of meaty goodness.

Then, as though she'd read my mind, Claire whipped open her bag and with a playful 'ta dah!' pulled out a double-ended dildo. Grinning broadly, she popped it into her own glistening vagina and began circling her wrist

to push it further inside. "Since this is your party, Em," she smouldered, offering me her hand, "I think you should climb on the other end, don't you?"

The other two girls clapped delightedly, and helped me get astride Claire to wiggle onto the man-made monster. My fanny was so soggy it slurped as I slid down the rubbery shaft, causing the now licked-clean Sara to sigh. "Oh my god, listen to that! You're such a filthy bitch," she groaned. "Fuck, are you gonna cum hard, Babel!" And just to guarantee it, she lubed up two of her fingers and began to slowly ease them into my sphincter as I bounced up and down on the dildo, while I frigged my swollen nub. Not to be left out, Katie positioned herself over Claire and, grabbing hold of her head, started to grind her hips into her face. It was like being part of one writhing, carnal machine, linked by mutual lust.

High on pleasure, nobody even heard the noise of keys at the front door and we certainly didn't notice the figure watching

## “Mark had my cheeks spread, with his thick meat sawing in and out of my tight bumhole.”

slack-jawed through the serving hatch. I mean, I thought Mark was in Brussels, I never imagined he'd be bashing one out in the kitchen, while playing peeping Tom! The first we actually knew of his return was when he started to spurt, falling over onto the munchie-laden table with the force of his climax.

Had we not been drinking, I for one would have panicked at the clattering of china. Instead, we acted like it was the most natural thing in the world when Mark nervously appeared at our feet. “Erm, the flight got cancelled because of bad weather. I tried to call but you were obviously busy,” he mumbled, his eyes wide as saucers at the

boobs and bums bonanza before him.

“I’m sorry,” I replied, casually. “I’ve had my hands rather full. In fact, to tell you the truth, these three are a bit too hot for even me to handle properly. Would you like to help out?”

I don’t know if it was shock or randiness, but Mark’s flaccid dick leapt to life at my offer, and we could see his shiny helmet poking through his Calvin Kleins. He didn’t say a word, just hastily pulled off his remaining clothes. Standing there naked, he held his massive erection tightly in his fist, apparently waiting for someone else to make the first move. I nodded at Sara, indicating that I was okay with what was happening, and she responded by kneeling in front of Mark and taking his hard cock deep into her mouth.

Surrounding them in a semi-circle, the remaining three of us watched, fingering ourselves until we heard Sara’s gurgle as Mark’s spunk splashed her tonsils. Immediately, she turned around and opened her mouth to show us her pearly prize, letting the sticky, white cum drip onto the carpet.

“No, Sarah, that’s a waste of good man milk!” I squealed, pulling her towards me and kissing her passionately to gobble up the remnants of Mark’s precious fluid. Then, licking my lips, I came up behind Mark and put my arms around his neck.

“Mmmm... that tasted so good!” I simpered, nibbling his ear. “You see, while I love eating pussy, I could never give up cock. It’s just too yummy! Why don’t you show Claire and Katie how great yours is?”

This time, Mark didn’t need asking twice. He motioned to the girls and they both sat back on the sofa, legs akimbo. “Open yourselves for me,” he ordered, waving his penis at them. “As wide as you can, so I can do you both alternately.”

Their pinned-back labia looked like pink orchids, so beautiful and perfect, and I wished I’d got my Polaroid there to capture the moment for future solo wanking sessions. Mark, however, was only thinking about the here and now, judging by the way his cock head was dribbling. He offered it to me to suck briefly and then went in for the kill. Three hard strokes in one cunt, followed by three in the other. Over and over again, each time getting more ferocious as the friction increased and his balls visibly tightened.

Sara and I crouched either

side of Mark, entranced by the sticky coupling. Claire and Katie were whimpering loudly, their eyes shut and their long fingernails tweaking at their clits. The only time we looked away was to lap at the beads of perspiration collecting on the backs of Mark’s knees from all the exertion.

I’d seen my own orgasmic muscle spasm many times while observing myself in my make-up mirror, and of course I’d watched it in pornos, but I’d never witnessed it in other real women. I tell you, it was the rudest thing, sending juicy droplets falling onto the leather upholstery as their arseholes and vaginas contracted. No sooner had that occurred, than Mark was ready to shoot again. “Put your faces side by side, and stick out your tongues!” he demanded, before frosting the beaming duo’s chins and cheeks.

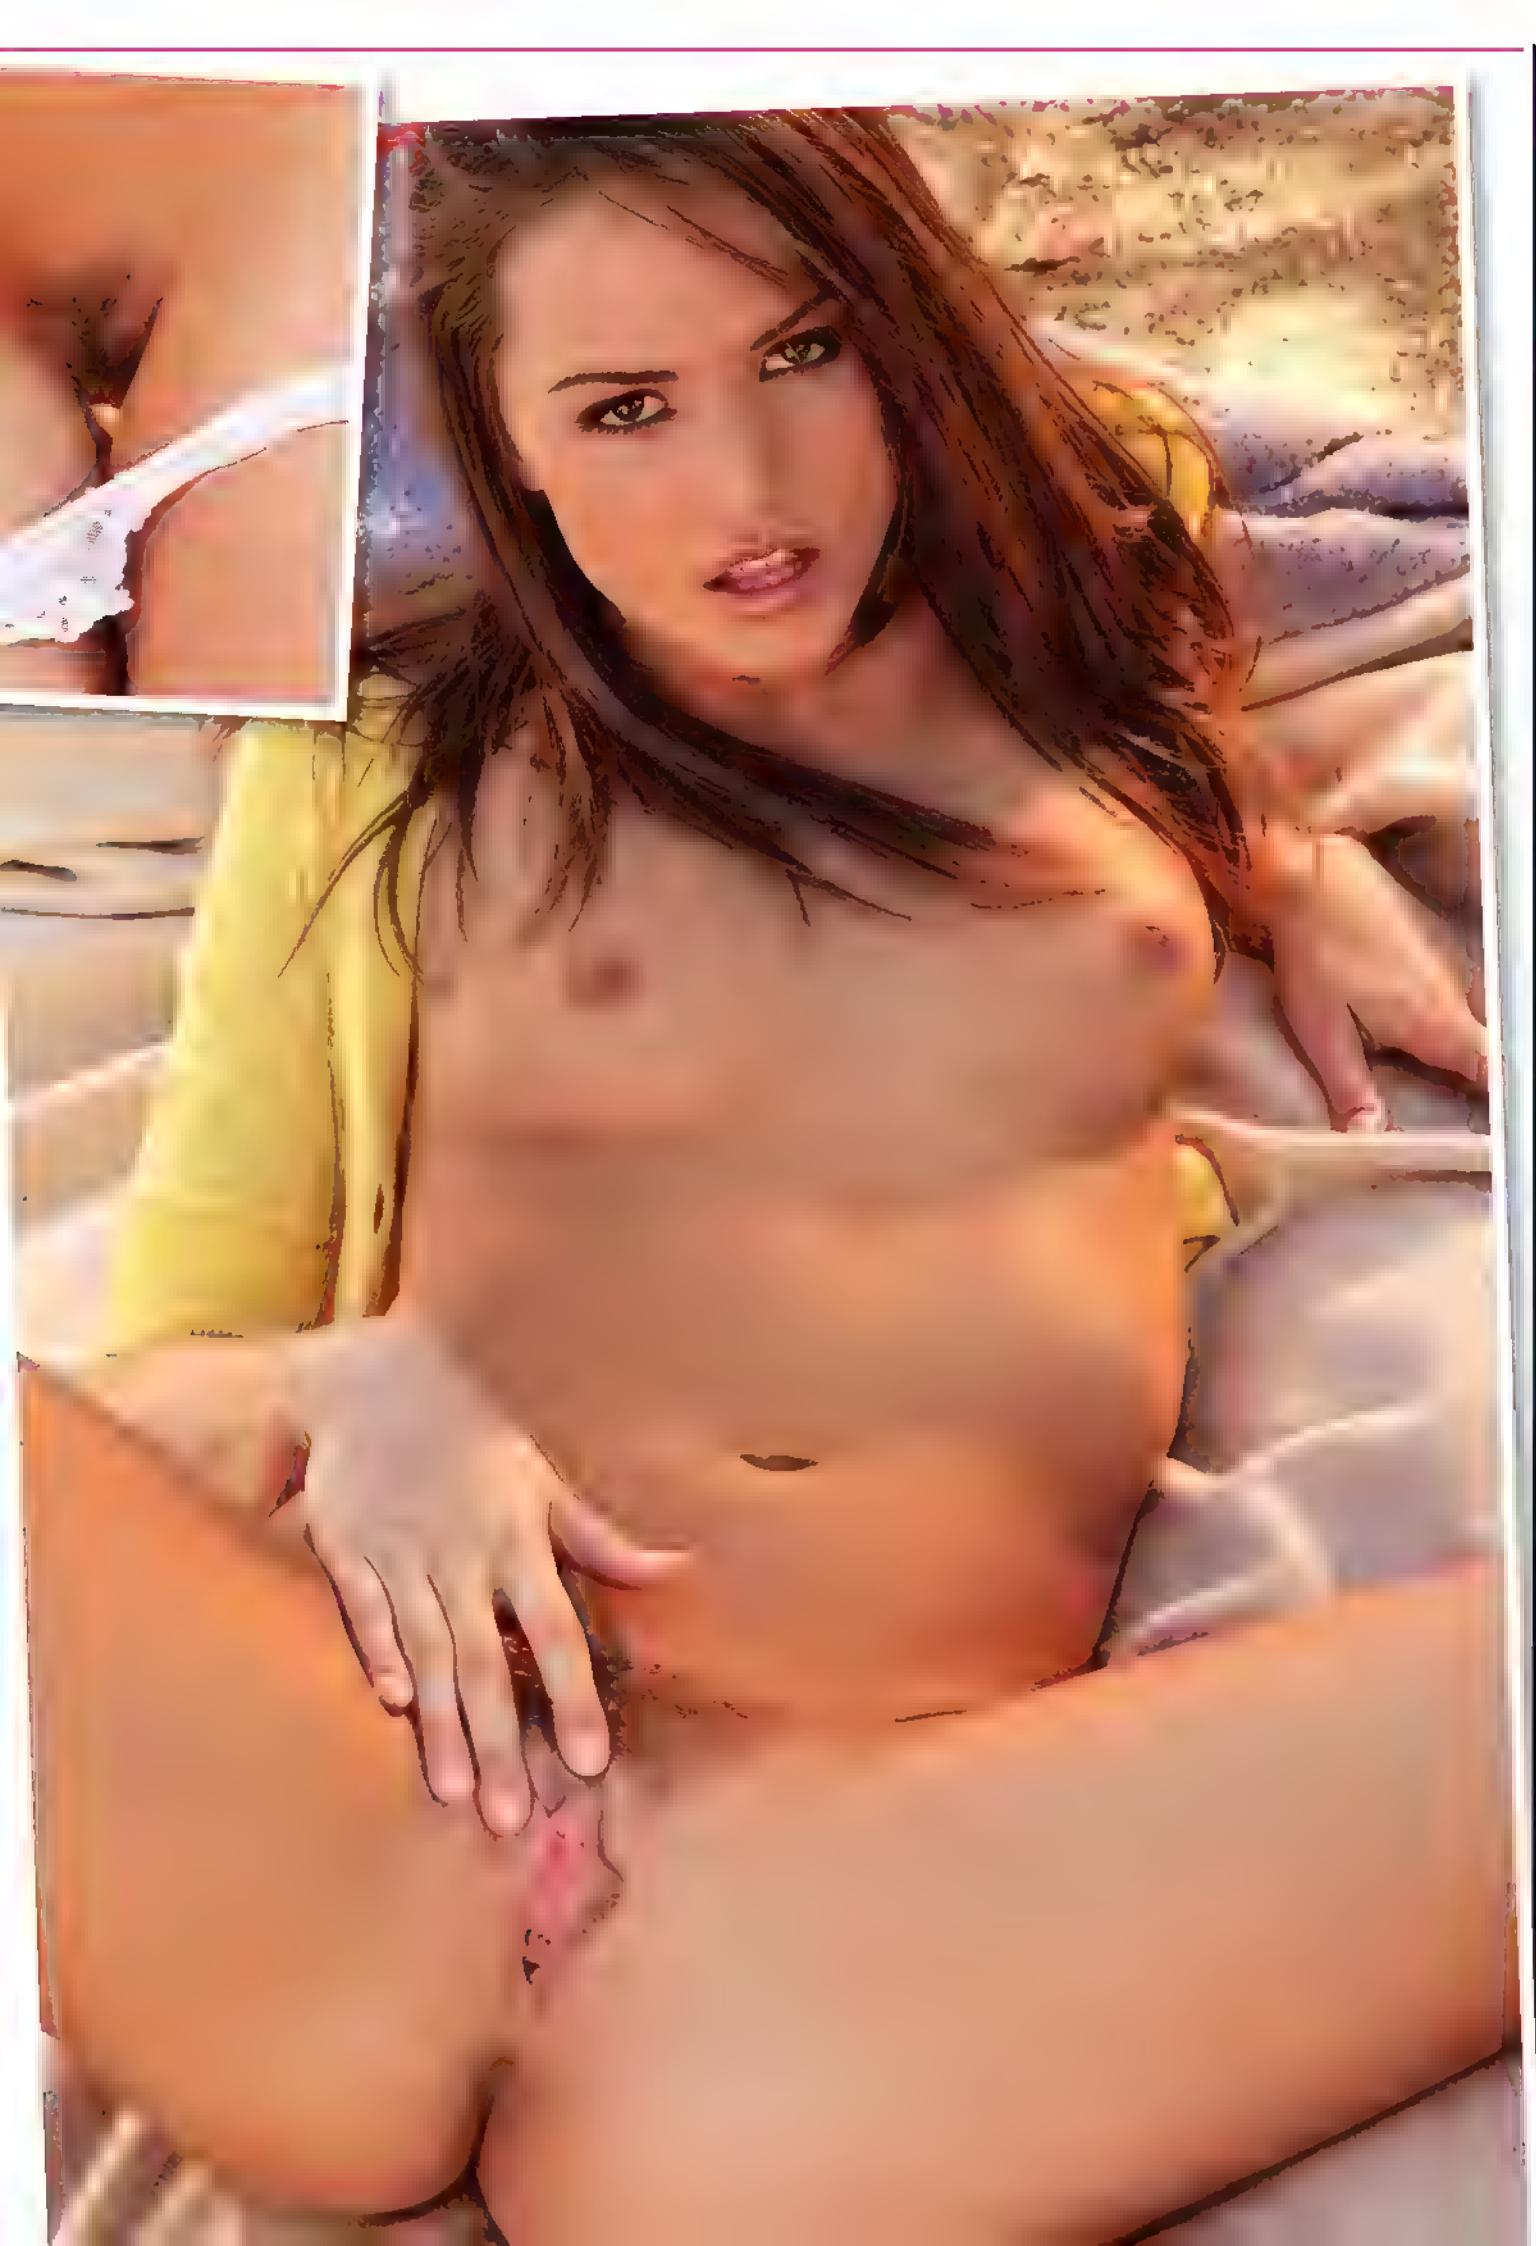

Now, usually Mark’s not fit for anything after emptying his sac twice in quick succession, but thankfully this occasion was different. Whether it was an admiring audience that gave him his stamina, I’m not sure, but I was certainly glad. One glass of pinot grigio later and it was my arse impaled on his rod, as I leant bottoms-up over an armchair. Anal always has me hollering with glee, and I would have been moaning down the house if the cheeky tarts hadn’t elected to take it in turns to silence me with mouthfuls of tit and muff.

Mark had my cheeks spread, with his thick meat sawing in and out of my tight bumhole. I was in heaven and so was Mark from the amount of racket he was making, moaning and groaning behind me while reddening my rump with the occasional smack that nearly sent me into climax instantly. I had to tell him to slow down as I wiggled on the end of his rod. Eventually we came together, Mark shooting his load deep inside my rectal cavity, before with drawing and spreading some of his shag juice up and down my crack.

I’m not ashamed to admit we were absolute nymphos that night, and swore Mark to secrecy. Not that it took much doing – just the promise of regular girlie sleepovers, with him as the dessert!

Warming up by the pool in sunny climbs sounds perfect at this time of year, when opening the door comes accompanied by a Hebridean blast of icy air, that would unsettle even the hardiest of folk. So for the last half an hour before writing this we've been staring at Steph, partly because the lusty brunette is creating a tent-like structure with our trousers, but also secretly because we wish our pastie bodies were lolling behind her in that pool. ♠

# DOWN THE WIRE

## Pedigree Chump

Tesco in Truro, Cornwall had to evacuate the entirety of the supermarket last week after a pesky seagull decided to swoop into the store, complete with shopping list.

The flying gull angrily ploughed into a customer's face as it entered the premises, and started its furious rampage to get to the pet food aisle. After harassing multiple customers in its flight path, the gull finally reached its destination but faced an agonising choice between Butchers and Pedigree Chum (we feel your pain Mr Gull). The staff had no choice, but to close the store after 75 minutes of gulling over IAMS cat food, but the gull was eventually captured and released back to safety, minus its overloaded shopping basket.

## Motherly Love

A Mother and Daughter have been charged with incest after marrying each other, but it's not the first time. Patricia Spann, 43, legally married her daughter Misty Spann, 25, earlier this year in Oklahoma and previously married her son in 2008, but annulled the marriage, after the incest was revealed.

Patricia, who lost custody of her children, claims she had no contact with them until now. When she met with Misty, she claims they really 'hit it off'. Patricia feels no laws have been violated, as she was no longer listed as her Mother on the birth certificate. The pair were summoned to court and are due to reappear in court in October with an attorney.

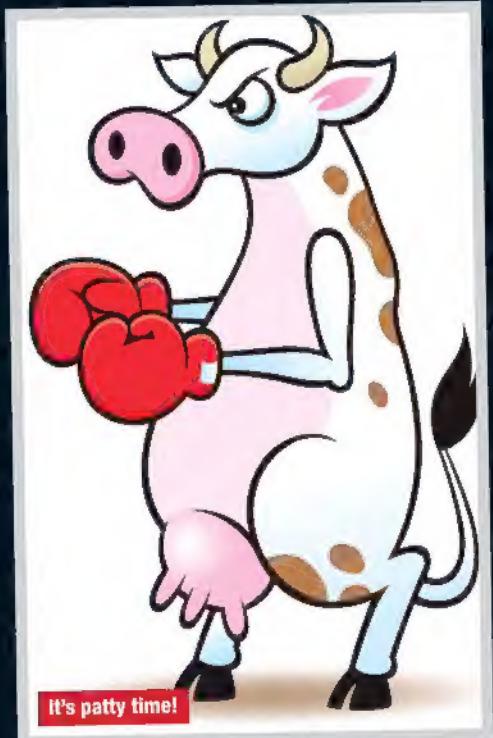

## They Got Beef

The meat aisle can be a tense place at the best of times, as women hurry to get that prized joint of beef for a Sunday dinner prior to the stocks running out. But the heat on the meat just got fiercer, when a meaty attack ensued in an ASDA.

A female police officer has been sacked after attacking her Mother's love rival in the meat aisle in Staffordshire. The meaty debacle was all caught on CCTV resulting in the officer being dismissed for gross misconduct.

Onlookers said the victim was barged with such force it knocked her flying into the meat chiller... not what you'd expect to find when looking for some bangers.
